Primary course

Qs School specially designed **Primary Courses** provide systematic coaching to enhance students' academic capabilities which are essential for their daily studies and their scholarship exams. It includes *maths, reading comprehension, writing, reasoning and problem solving, and application of existing knowledge.*

Secondary Course

The secondary course particular emphasis on the needs of secondary school students. The weekly classes in *Maths, English, Writing, Trial Test, Science and Debating* build on existing knowledge and allow students to enhance their language skills and engage in critical thinking to broaden their breadth and depth of thinking. The classes aim to improve students written abilities, encourage personal growth and prepare students for scholarship or selective entry high school exams, as well as VCE.
